BALDUR COMMUNITY DEVELOPMENT ASSOCIATION

October 26, 2010

Dear Community Members:

The Baldur Memorial Hall is an integral part of our community. We often take community infrastructure for granted. We do forget that our public buildings exist because of the many volunteer hours that residents perform and the many donations that people make.

The hall was built in 1938 by community visionaries. Since then, many stakeholders have spent time ensuring the hall will exist for years to come. In the past decade alone, many improvements have been made. The roof has been shingled, the nursery school room and the kitchen have seen renovations, and new tables, chairs and stoves have been bought.

The outside of the building is in need of a major facelift. Baldur Community Development Association has been awarded a Manitoba Community Places Grant to assist in this facelift. Along with the Baldur Memorial Hall board, a Two Phase project is planned. This year we will replace the siding on the north, west and south side and install a new entrance door. Phase 2 will see a redesign of the front of the building and hopefully it will be completed in 2011. Proceeds from the Community Auction held this past April will help fund the project. To complete the project before the R.M. of Argyle's 130 Birthday Reunion in August 2012 we are asking for your support.

For your \$150.00 donation (the cost of a bundle of siding) your family name will be placed on a new commemorative plaque. During the reunion a rededication ceremony will be held - honouring the community hall's past and celebrating its future. Receipts will be issued. If you would like to make a smaller donation you can purchase a board or two.

Information on how you can make your donation is found on the opposite side of this community wide mail out. Please remember that the hall plays host to family gatherings, craft sales, funerals and funeral luncheons, meetings, holiday concerts and many other events. I thank you in advance for your donation.

Sincerely,

Dan Martens
Chairman - Baldur Memorial Hall committee
